A QUICK LOOK AT BETA DELTA

The first Delta Kappa Gamma chapter in North Carolina was founded in Greensboro on April 17, 1936, by Miss Ruth Fitzgerald. North Carolina was given the designation of Eta State, and the first chapter was assigned the Greek letter Alpha. Beta Delta Chapter was chartered March 28, 1966, as a result of Alpha Chapter expansion. We were proud to celebrate our 50th anniversary in 2016. We are a diverse group of women educators including public school teachers and administrators, university professors, curriculum facilitators, and our very own Past Eta State President, Shelia Groves.
